

MITCHELL TRACK AND FIELD MEET

MONDAY, MAY 8, 2023

Monday, May 8, 2023 Paulina School students will be attending the Track and Field Meet in Mitchell, Oregon. We will be traveling through Prineville to Mitchell. **The meet will begin at 9:30 a.m.**

Buses : We will be taking a bus to Mitchell but there will be no regular morning or afternoon bus routes. We are asking parents to bring students to school or meet at key pod points for pickup. There will be pod pickups at Drake Creek bus stop and Conant Basin bus stop.

All students are asked to ride the bus to Mitchell in the morning in order to hand out shirts, go over events/groups and get ready for the day. Students may ride home with their parents.

Breakfast, lunch and snacks: Breakfast will be served on the bus. School lunches will be provided but students may bring additional snacks. Please bring money for the concession stand/store also. Don't forget your water bottle.

Clothing: A Buckaroo t-shirt will be provided for the day. Please bring or wear track shoes, shorts and a jacket. Check the weather for the day; rain gear and sunscreen are often necessary.

We are asking all students to remain at Mitchell until the track meet is over to support athletes still competing from Paulina School.
